The reply filed on October 15, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The amendment format does not comply with the requirements of 37 CFR 1.121. 37 CFR 1.121(c)(2) provides that all claim being currently amended in an amendment paper shall be presented with markings to indicate the changes that have been made relative to the immediate prior version of the claim. In the instant case, Claim 26 includes changes relative to the prior version that have not been properly indicated with appropriate markings. The prior version of Claim 26 presented in the preliminary amendment of February 8, 20002 shows that Claim 26 reads "wherein said transgenic animal displays" in line 5 of the claim, whereas the amendment of October 15, 2004 reads "wherein said animal displays" (line 6) without markings to show that the word "transgenic" is being deleted. Appropriate correction is required. See 37 CFR 1.121(c).

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).** In no case may an applicant extend the period for response beyond the six month statutory period. Direct the response to the undersigned.
